### IV. GOVERNANCE

#### Governing Boards:

For an effective and smooth functioning of all activities concerning academic, finance, infrastructure development etc., the college has a Governing Body, Governing Council and an Academic Advisory Body.

#### Governing Body:

The members of the Governing Body are the members of the Trust/Society.

T m t . P.Swarnalatha Mani, Chairperson

Tmt. P. Kalareena Ilango, Member

Tmt. P.Malaleena Arangannal, Member

Principal, Ex-officio Member

The Governing Body meets once in four months and reviews all academic, and other developmental activities.

## Governing Council

The Governing Council is constituted as per the norms prescribed by AICTE.

The members of the Governing Council are as follows:-

The Governing Council meets twice in a year and reviews various activities of the college and suggests measures to achieve excellence in academic, Research & Development and improvements in infrastructural facilities.

**Academic Advisory Body:**

The academic advisory body of the college is constituted with the following members:

1. The Principal
2. Heads of all the Departments
3. Senior Faculty from all Departments.

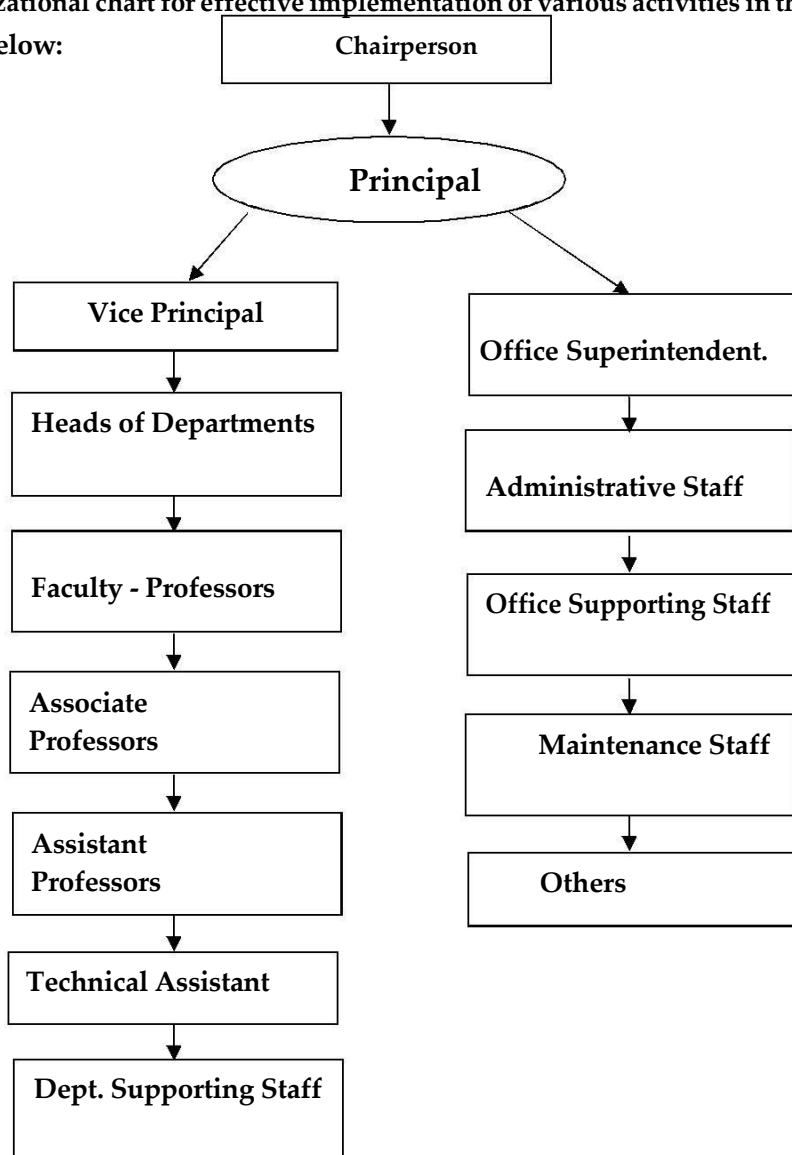

❖ **Frequency of the Board Meetings and Academic advisory body**

The academic advisory body meets once in a month and reviews the following academic matters:

1. Coverage of Syllabus
2. Content required beyond the syllabus
3. Performance of students in internal tests and University examination
4. Attendance and discipline of students
5. Scheduling of industrial visits and training
6. Career development programme

**ORGANIZATIONAL CHART AND PROCESSES:**

The organizational chart for effective implementation of various activities in the college is depicted below:

Under the guidance of Chairperson, the Directors issue necessary guidelines to the Principal.

The Principal in consultation with the management, makes plans, organizes, controls and executes the task.

**General Administration:**

The Principal looks after the administration of office and correspond with to AICTE, AU and other agencies in consultation with the Management and coordinates in all activities of departments and office.

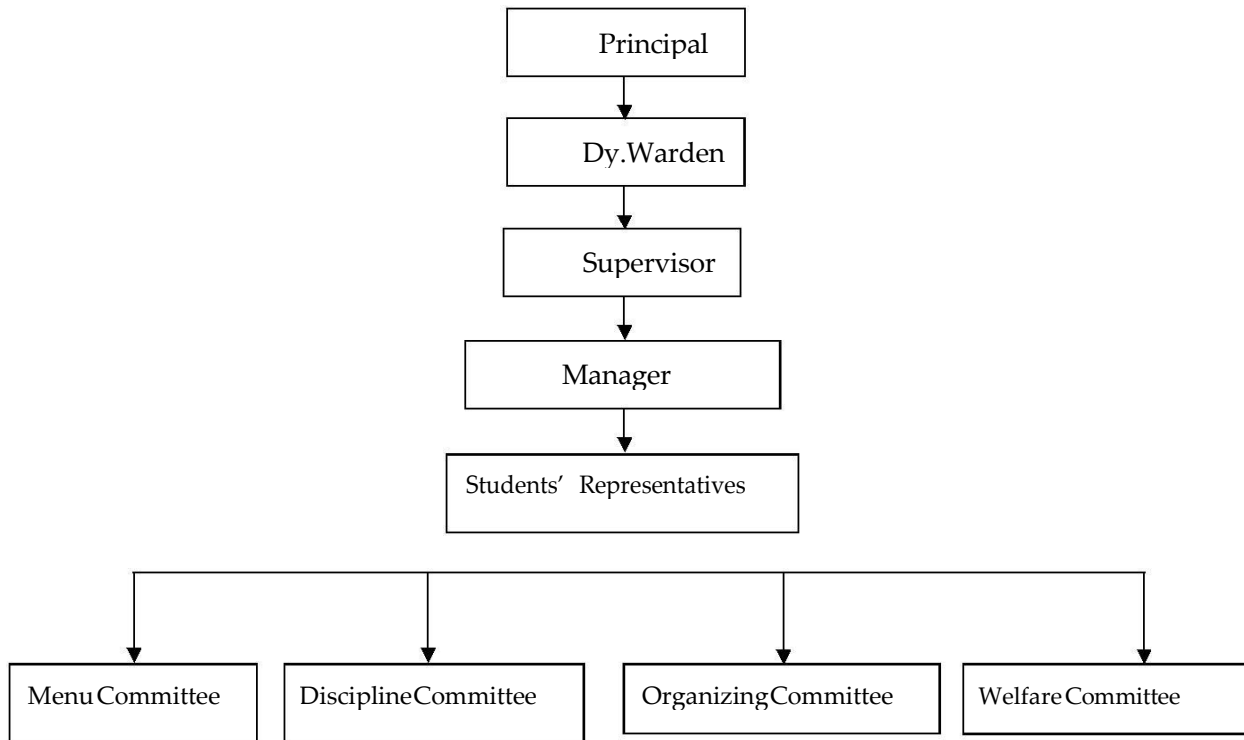

Office Superintendent renders necessary assistance to the Principal in the day-to - day affairs.

Administrative staff carry out the task assigned to them and maintain records.

Supporting staff assist all officials.

Maintenance staff attend the day-to-day work assigned to them and maintain cleanliness.

**Hostel Administration:**

Under the guidance of the Principal, the Dy.Wardens provide accommodation to the students as per the rules prescribed. They maintain attendance of the students, render necessary assistance to them and help in maintaining discipline.

The supervisor oversees the cleanliness of the hostel campus. The Manager makes arrangement to provide quality food on time to the students. The Supervisors and the Manager co-ordinate with all other functionaries in the hostel.

The Dy.Wardens and the Supervisor brief the Principal periodically on all matters of importance.

The students' representative of various committees discuss with the Dy. Wardens and Principal on all issues concerning them in the hostel.

Processes involved in maintaining high academic standards are detailed below.

#### Academic - Teaching-Learning Process:

Heads of Departments in association with the faculty

- Prepare the Academic Plan for a Semester.
- Identify Theory & Practical subjects pertaining to the parent department and inter-departments.
- Allocate subjects based on qualification, specialization, experience and previous results.
- The faculty prepares Time-Table with reference to the Curriculum.
- Prepare Lesson Plan effectively, well ahead of the commencement of a semester.
- Handle lecture classes as per the time-table.
- Conduct Internal Tests & Model Examination.
- Evaluate the answer books and notify the marks.
- Identify weak students and conduct special coaching classes.
- Verify observation and Record Note Books.

- Counsel the students and conduct re-test for those failed/performed poorly.
- Inform the parents about the performance of their wards.
- Conduct seminars
- Motivate students to do Innovative Project

**Nature and extent of involvement of faculty and students in academic affairs and improvements:**

- The Members of faculty in all departments are well qualified, experienced and dedicated towards the goal.
- They discharge the duties with utmost sincerity and involve themselves in the curricular co-curricular activities in the best interest of the student.
- Incentives and awards are instituted for achieving academic excellence by faculty and students.
- Faculty members are deputed regularly for FDP, STTP, Summer/Winter Schools, Workshop and Conferences.
- In addition to the normal learning process, students get exposure to the practical world through industrial visits, guest lecturers etc.

- Current concepts and practices are introduced to students by way of value added courses.
- Professional communication courses are conducted regularly to improve communication skills.
- The college also conducts Business English Course in collaboration with British Council.
- Regular courses on improving aptitude skills are conducted by experienced faculty.
- For a group of 15-20 students, a faculty is allotted as their counselor. Students are advised and assisted in solving their problems on both academic and non- academic. Counselor follows up the progress of the students, maintains students profile and guides them to make improvements in their performance.

**Curricular activities:**

- Prepare detailed lesson plan and handle classes
- Suggest various reference books
- Conduct periodic tests and closely monitor the students' performance
- Send progress reports to the parents
- Identify weak students and give them special coaching
- Arrange industrial visits
- Counsel the students as and when required
- Conduct career guidance/career development programmes
- Conduct value added courses
- Arrange guest lecturers for teaching the contents beyond syllabus

**Co-curricular activities:**

- Encourage the students to participate in various National Level Competitions
- Assist them in the preparation and presentation of Research Papers
- Guide them in the National Level Symposiums organized
- Motivate them to participate in social activities-NSS, YRC, Blood Donation Camps etc.
- Encourage them in sports & games

**Mechanism/Norms & Procedures for democratic/good governance:**

- Academic calendar for the college and departments are prepared well in advance.
- Rules and regulations of the college are framed and informed to all concerned.
- Regulations of the University are informed to all students, faculty and staff.
- Policy decisions related to all academic matters are taken collectively by the Academic Advisory Committee. Minutes of meetings are prepared and circulated to the members and the faculty. All decisions are communicated through Circulars to the faculty and through Notices to the students.
- Meetings of faculty are convened at regular intervals and the policy decisions related to academic matters and others informed.
- Counsellor system is adopted to take special care on each student.
  - Every class has a class advisor in charge for attendance who will monitor the participation of students in regular classes and other programmes.
  - Internal Test Mark and attendance are sent to the parents periodically.
  - Weak students are identified and suitable action to improve their performance is taken periodically.
  - Misbehaved students are identified and counseled.
  - After the announcement of semester results coaching classes are conducted for the failed students.

**Students' feedback on institutional governance/faculty performance:**

- Class Committee (consisting of students and the faculty handling the classes) Meetings are conducted thrice in a semester and feedback is obtained from students directly. Suggestions from students are listened to.
- Feedback from students into faculty subject-wise. Strengths and weaknesses of faculty are identified and accordingly faculties are rewarded/counseled to improve upon.
- Feedback is also obtained from students about institutional governance and suggestions are accepted and implemented.

**Grievance redressal mechanism for faculty, staff and students:**

- A Grievance Redressal Committee comprising of senior faculty, students and staff is constituted every year.
- The committee is headed by the Head of a department. It receives grievance from faculty, staff and students and take remedial actions.
- On complaints, it conducts inquiry considering all aspects and submits its findings and recommendations. Remedial measures are taken accordingly.
- Suggestion boxes are placed at strategic points and acted upon promptly.
